Elevator Installation, Service and Maintenance

**24 HOURS A DAY, 7 DAYS A WEEK**  
**1300 555 363**

**SPECIALISING IN ELEVATOR INSTALLATION, SERVICE AND MAINTENANCE**

## ● Elevator Repairs

We repair all types of lifts from a variety of manufacturers. Not only will you find our rates to be very competitive but we provide a reliable service to back it up. We aim to carry out 90% of all repairs onsite which minimizes downtime reducing stressful situations for owners and tenants.

## ● Elevator Refurbishment, Upgrades and Modernisation

Have you considered upgrading your existing equipment? Did you know it is possible to extend the life, improve the reliability and enhance the aesthetics of your elevator at a fraction of the cost, when compared with a total replacement?

## ● Our Guarantee

Because Stallion Elevators Pty Ltd is an independent company, we will not suggest clients purchase unnecessary products or services. We will work together with you to ensure your elevator is in the best possible running order. We offer a full range of service and scheduled maintenance.

## ● Elevator Safety (OH&S) Audits

We provide elevator owners and building managers advice on all statutory responsibilities in relation to updated Occupational Health and Safety laws, Australian Standards and the Building Code of Australia.
